

Commonwealth of Massachusetts Sexual Assault Nurse Examiner Program 2009 Adult/Adolescent S.A.N.E. Certification Training

The Massachusetts SANE Program invites Registered Nurses with 3-5 years RN experience, preferably in Emergency Department, Women's Health, or Advanced Practice Nursing to apply for training as a Sexual Assault Nurse Examiner (SANE)

- This comprehensive 7-day certification training provides 40+ hours of lecture and practicum, written examination, and pelvic and sexual assault exam preceptorships
- Acceptance to the training is dependent on submission of written application with three letters of reference in good standing (from past and present employment), and an in-person interview
- Once certified by the Commonwealth of Massachusetts, SANEs provide expert forensic nursing care and evidence collection to sexual assault patients' ages 12 years and older at designated Massachusetts Emergency Departments and Urgent Care Centers. SANEs must contract to provide a minimum of 48 paid on-call hours a month
- Applications for the Western, Central, and Southeastern Massachusetts SANE Regions are currently being accepted. Application deadline is February 28, 2009

**2009 Certification Training is scheduled for seven Tuesdays:
March 24, March 31, April 7, April 14, April 28, and May 5
With written examination May 12, 2009**

Please note that attendance at all seven days is mandatory

**Location: Publick House Historic Inn, Sturbridge, MA
Fee: \$350.00 (Payable after acceptance into the training)**
